Subject: Endorsement Survey for TMM014 Technical Mathematics I and TMM015 Technical Mathematics II Learning Outcomes (Reminder)

Dear Provosts and Chief Academic Officers:

A gentle reminder, to please see the attached memo from Dr. Ricardo Moena, faculty lead for Subgroup 2/OTM Mathematics, Statistics, and Logic Panel, requesting endorsement of the proposed learning outcomes for **Technical Mathematics I (TMM014)** and **Technical Mathematic II (TMM015)** in the Ohio Transfer Module (OTM). Draft learning outcomes for TMM014 and TMM015 have also been attached as reference.

If you have not yet submitted, feedback will be accepted through **Friday, February 7, 2020**. The attached PDF copy of the survey is for reference only. **We are collecting only one response per institution**. Please coordinate the effort within your institution to complete the survey and that the appropriate individuals on your campus are part of your institutional response.

Should you have any questions, please contact Jessi Spencer, Director of OATN Policy, Budget, and Constituent Relations, at 614-728-4706 or jspencer@highered.ohio.gov.

Sincerely
